No objection from a publications standpoint.

Suggest that you consider whether it might not be possible (CI/OA could give you an opinion) and preferable to write this dispatch in the clear, except for "Chief, [REDACTED]" in the heading and at the end of the dispatch. If this is done, "Organization" could be substituted for "KUBARK", or in some cases perhaps rewording would make both unnecessary. If cryptonyms are used, assume all addressee stations have identities for [REDACTED]. Believe the latter should be [REDACTED] right
